Or (909) 383-4631 (Caltrans Public Affairs)

DEVORE 2 – RAPID REHAB WORK NEXT WEEKEND

San Bernardino County – Caltrans is in the last stretch of the Devore 2 pavement rehabilitation project on Interstate 15 (I-15) at the Interstate 215 (I-215) in Devore, just below the Cajon Pass. The contractor is swiftly moving toward completing the project and will work on the weekend of January 26, 2007 as follows:

 Closure D - will close the southbound I-15 connector to the southbound I-215.

This weekend work schedule is shorter than past weekend work and will only last twenty hours. It will begin on Friday evening, January 26, at 10:00 p.m. and continue through Saturday evening, January 27, at 6:00 p.m.

Driver Advisory!!

Motorists on southbound I-15 at the junction of 215 will experience delays. Caltrans urges those motorists to avoid the construction and adjust your travel time or take an alternate route. Plan ahead and allow extra time and patience if travel is necessary on southbound I-15 during the work hours.

Night work will continue as Caltrans completes striping, guardrail and drainage work. The night work hours on southbound I-15 are from 6 pm to 4 am and on northbound I-15 from 10 pm to 8 am. Night work on weekends may also be necessary and will be advertised in advance. Inclement weather may affect the construction schedule. The project is expected to be complete in March 2007, weather permitting. For more information on this project or other Caltrans roadwork, please go to our website at www.caltrans8.info. You may request a Devore 2 brochure or sign up for weekly alerts from the website. If you do not have access to a computer, please call us at (866) 383-4631.
